## ENVIRONMENTAL POLICY (ISO 14001)

The Igranic Group Environmental Policy is to be a responsible corporate organisation in protecting the environment. We are committed to complying with accepted environmental practices, including the commitment to meet or exceed applicable legal and other requirements, to strive for continual improvement in our environmental management system, and to eradicate the creation of wastes and pollution. We will, therefore, manage our processes, our materials, our products and our people in order to reduce the environmental impacts associated with our work.

Our Environmental Policy provides the framework for setting and reviewing environmental objectives and targets. Our Environmental Policy is documented, implemented and maintained and communicated to all employees.

IGRANIC & PSJ, pledge to implement and operate the ISO-14001 Environmental Management System to further enhance environmental performance from present time to future needs. Whenever possible we will influence our suppliers and clients to improve environmental performance.

Our main objectives and commitments are to:

- ***Investigate the reduction of hazardous and toxic chemicals***
  - ***Reduce, reuse and recycle waste and packaging***
  - ***Improve the efficiency of energy waste***

This policy will be communicated to all parties interested in the performance of our environmental management system, including the public.

David Nunn

**Managing Director**
